To whom it may concern,

It is with great pleasure that I recommend Adam Marshall to be a part of the CAA Athletic Organization. I had the opportunity to teach Adam during the 2023-24 school year at Notre Dame Preparatory School in Scottsdale, Arizona. He was a student in my period 3 Spanish 1 Class. Adam quickly stood out amongst his peers. He consistently demonstrated the character traits of respect, responsibility and integrity. Adam was a leader in my class, always choosing to take the high road. He was organized, attentive and demonstrated a strong work ethic. Adam had enough confidence to ask questions when he was unclear about a concept. He acted in a mature and polite manner, always greeting me upon entering the class and thanking me at the end of the lesson. It was a delight having Adam Marshall in my class and I am certain that he would be a great benefit to your organization.

Fondly,

Ms. Wendy Hagge
